regional / local collaboration of Career Centers

not alot of collaboration

would be happen, but not many opportunities → separate LNOCs

– what works well? (good practices)

- students can participate (Communication for LNOC)
- cancelling inside the university

– added values and challenges

none

- limited resources
- fear of doing all hierarchies

– (hidden) potentials!

(Some) companies and Chambers of Commerce ask for it.

collaboration inside the University (OST)

CSNCH as an intermediatory
